Instruction to Trainee

- 1- This logbook has to be maintained by all trainees enrolled in a program of the Arab Board of Pediatric Gastroenterology subspecialty.**

- 2- Trainees are advised to make the required entries of the event.
All entries must be signed by the supervisor**

- 3- The trainee is required to maintain the logbook throughout the training period.**

- 4- The logbook will form a part of the eligibility requirements for the examinations.**

Instruction to Trainer

- 1- The logbook is a day-to-day record of the clinical and academic work done by the trainee.**
- 2- It's purpose is to evaluate the overall training of the candidate and determine deficiencies if any, so that they may be corrected.**
- 3- The program director should check regularly the logbook so that he/she can spot any deficiencies in the training (e.g. the trainee has not rotated through the required rotations in the different units and subdivisions).**
