### Log Book of Academic Activities For Pediatric Residency Training Program

#### Personal Information:

- Name of Candidate: -----
- Candidate No.: -----
- Program Director: -----
- Training Institute: -----
- Starting Date of Training: -----

## **Introduction**

**This log book serves as a guide for objective evaluation of the residents during their training period by recording different academic activities that should be signed by the supervisor or trainer.**

## **Certificate**

**This is to certify that to the best of my knowledge all the entries in the log book are correct.**

**Signature of trainee:-----**

**Center of Training :-----**

## **Instruction to Trainee**

- 1. This logbook has to be maintained by all trainees enrolled in a program of the Arab Board of Pediatrics.**
- 2. Trainees are advised to make the required entries on the same day of the event. All entries must be signed immediately by the supervisor on the day of the event.**
- 3. The trainee is required to maintain the logbook throughout the training period.**
- 4. The logbook will form a part of the eligibility requirements for the examinations.**

## **Instruction for the trainer**

- 1. The logbook is a day-to-day record of the clinical and academic work done by the trainee.**
- 2. It's purpose is to evaluate the overall training of the candidate and determine deficiencies if any, so that they may be corrected.**
- 3. The program director should check the logbook at least once a month so that he/she can spot any deficiencies in the training (e.g. the trainee has not rotated through the required subspecialties.) .**
