ARAB BOARD OF HEALTH SPECIALIZATIONS

Log Book of Clinical and Academic Activities

For Pediatric Nephrology Training Program

Personal Information:

- Name of Candidate:-----

- Candidate No.:-----

- Program Director: -----

- Training Institute:-----

- Starting Date of Training: -----

-Fellow level : -----

Introduction

This log book serves as a guide for objective evaluation of the fellows during their training period by recording different clinical and academic activities that should be signed by the supervisor or trainer.

Declaration

This is to declare that to the best of my knowledge all the entries in the log book are correct.

Signature of trainee:-----

Center of Training :-----

Instructions to Trainee

- 1- This logbook has to be maintained by all trainees enrolled in a program of the Arab Board of Pediatric Nephrology subspecialty.**

- 2- Trainees are advised to make the required entries of the event.
All entries must be signed by the supervisor**

- 3- The trainee is required to maintain the logbook throughout the training period.**

- 4- The logbook will form a part of the eligibility requirements for the examinations.**

Instructions for the trainer

- 1- The logbook is a day-to-day record of the clinical and academic work done by the trainee.**
- 2- Its purpose is to evaluate the overall training of the candidate and determine deficiencies if any, so that they may be corrected.**
- 3- The program director should check regularly the logbook so that he/she can spot any deficiencies in the training (e.g. the trainee has not rotated through the required rotations in the different units and subdivisions).**

Academic Activities

The following academic activities are expected to be moderated by the fellows as follows:

Activity:

Morning report

Grand Round

Mortality / Morbidity

Journal Club

Nephrology–Urology –Radiology meeting

Attendance of Conferences /Courses / Workshops

(Minimum 6 activities in the training program)
